

## **Rates / Fees / Terms / Conditions**

### **Pro-Active Engineering and Consulting**

\$175 / hour or as negotiated

### **After-Occurrence Engineering Investigation and Consulting**

\$225 / hour

\$ 500 / hour deposition and testimony, minimum 4 hours, paid in advance

### **Mileage**

Charged generally at the prevailing government business rate per mile

### **Other Expenses**

Additional expenses for longer assignments, special equipment, or overnight accommodations on remote assignments will generally be treated as pass through items in the billing

The rate sheet is a living document and as such the latest revision information shall govern all billings unless otherwise noted or graciously less at our discretion. Delinquent invoice balances totals may be adjusted by up to 18% per annum effective on all invoices outstanding at our discretion.

Contracts for services are welcome. Paperless is promoted.

Non-Disclosure and Confidentiality Agreements are encouraged.

Billing of engineering time will be the standard invoice line item list in use and are not itemized.

The liability limitations for any and all efforts shall be capped at the fees collected.

In acting as a team member you indemnify Z\*Tech and me personally and hold harmless from litigation.

There are no guarantees made or implied on any assignment.
